## 4.4 Authorization to Approve Acquisition Contracts – Summer 2020

The Director of Material Resources and Transportation advised the Executive Committee that there are several purchases that are pending tenders and that it would be prudent for the Executive Committee to provide the same signing authority of \$150,000.00 to the Director General as they had for the change orders so that acquisition contracts approved. As per the previous item, this is a precautionary measure.

In response to a question from Commissioner Guy Gagnon, the Director of Material Resources and Transportation noted that the contract for the lockers is for both St-Jude and Pinewood Elementary Schools.

WHEREAS the Tender 1389502 Acquisition des meubles vestiaires aux écoles primaires St-Jude et Pinewood A was published on 08, 2020;

WHEREAS tenders for this acquisition are scheduled to open on August 7, 2020;

WHEREAS this acquisition is necessary in order to have the above-mentioned schools properly equipped with furniture for the upcoming year 2020-2021;

WHEREAS the estimate for this acquisition is expected to exceed the signing authority of the Director General as per Law no BL2008-CA-01: Delegation of Functions & Powers of the Sir Wilfrid Laurier School Board;

WHEREAS other acquisitions will be necessary during the summer period in order to have classrooms properly equipped and to have sufficient protective personal equipment for the upcoming school year 2020-2021;

WHEREAS these acquisitions need to be approved before the next scheduled meetings of the Council of Commissioners and of the Executive Committee of the Sir Wilfrid Laurier School Board;

Parent Commissioner Stéphane HAMEL THAT, on the recommendation of the Director of Material Resources and Transportation, the Executive Committee authorize the Director General to approve the engagement of the retained supplier for Tender 1389502 Acquisition des meubles vestiaires aux écoles primaires St-Jude et Pinewood A for an amount not exceeding \$150,000.00, all taxes excluded, and that the Director General be authorized to sign all documentation related to said engagement;

AND THAT for the months of July and August, in the case of a required and necessary purchase to ensure the well-being and safety of the students in schools and centres for the upcoming school year 2020-2021, the Director General be authorized to approve any other engagement of supplier, after consultation with the Chair of the Sir Wilfrid Laurier School Board and up to an amount not exceeding \$150,000.00, all taxes excluded, per supplier;

FURTHER THAT the Director of Material Resources and Transportation be authorized to sign documentation concerning these engagements as per Law no BL2008-CA-01: Delegation of Functions & Powers of the Sir Wilfrid Laurier School Board.

The Executive Committee entered into discussion and the Director of Material Resources and Transportation, noted the following:

- x The acquisition of supplies is not just for lockers but also for equipment for other schools;
- x The resolution is written to accommodate both the purchase of lockers and other necessary equipment required by the schools;
- x A resolution for the service providers has already been approved so tenders are not necessary so purchases were a regular purchase order.

Discussion continued resulting in Commissioner Guy Gagnon proposing an amendment based on input from said discussions.

Amendment Commissioner Gagnon MOVED THAT the following changes be made to the resolution:

- EC-200714-MR-0008 1. Move the "5" WHEREAS to become the first WHEREAS and remove the word "other";
