4.0 Report from the Chairperson

The Chairperson read the following tribute to Jack, Special Education Technician at Lake of Two Mountain High School and a long time employee of the school board, who recently passed away:

"In 1992, Jack Fitch started working for the School Board as a substitute teacher.

Two years later, he became Special Education Technician at Lake of Two Mountains High School. He loved his job and was so proud of working with the WOTP students.

Later, Jack was elected union president for the staff union, SEP577, a position he proudly held from 2007 to 2015. After his tenure, he was happy to return to Lake of Two Mountains High School.

Jack was a dedicated, passionate, generous and loyal person who touched the lives of many students and employees alike.

Our thoughts and prayers are with his wife Danielle and his daughter Kim. May he rest in peace."

He continued noting another recent tragedy as 30 Canadians died in an airplane crash in Iran and read the following into the minutes:

"January 8, 2020 is a tragic day that will be remembered by everyone across the world.

The 167 passengers and 9 crew members of Flight PS752 died after the plane was shot down by a missile a few minutes after takeoff.

Of those 176 passengers, 63 were Canadian citizens back home after spending the holidays in Iran. Families have been destroyed; husbands, children, parents, mothers, sisters, colleagues, and friends are mourning the loss of loved ones.

In honor of the victims of this horrible disaster, I would like us to have a minute of silence."
